

Usuário Table

Usuário
id - int - PK
username - varchar(100)
Email - varchar(50)
tipo - varchar(255)
dataNascimento - datetime
password - varchar(255)

Manga Managers Table

MangaManagers
pkIDUsuario
pkIDManga
role - varchar(50)

Manga Table

Manga
ID
title - varchar(50)
release_date - date
author - varchar(50)
description - text
tags - [string]
image - image

Chapter Table

Capitulo
ID
fk_manga
release_date - date
title - varchar(50)
descricao - text

Comment Table

Comment
ID
fk_capitulo
title - varchar(50)
content - text

Pages Table

Page
ID
fk_capitulo
title - varchar(50)
file - varchar(255)

ForumPost Table

Comment
ID
title - varchar(50)
content - text
publish_date - date

ForumPostComment Table

Comment
ID
fk_forumpost
content - text
publish_date - date
